¹Additional charges may apply in areas that require permits or guard response service for alarm verification. Tax not included. Enrollment required. Ring Alarm professional monitoring service is available only within the U.S. (all 50 states, but not any U.S. territories) and in Canada (excluding Quebec). Ring does not own its own professional monitoring center. Check [Ring Protect Subscription Plans](#) for more information

²Extra Data charges may apply. Cellular data is provided by a third-party carrier, and availability, technology, and speeds will vary. May require backup power if the power goes out. Visit ring.com/alarm-pro for more details.

³Your Ring videos are stored in the cloud temporarily, e.g., up to 60 days in the U.S. Check [Ring Protect Subscription Plans](#) for more information about your plan's retention period.
